Looking for a post-doctoral researcher to work with me and a dynamic team in the area of customer analytics at the Qatar Computing Research Institute (QCRI).

Work ethic and desire to accomplish something meaningful more important than skill sets. Realistic start date is Summer 2022. Position is two years.

QCRI is based in Doha, Qatar, a welcoming and cosmopolitan city. The work environment is great! Pay & benefits are quite competitive.

If interested or have questions, please email me at jjansen@acm.org
